Lead Warning Statement

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is 6 notified that such property may present exposure to lead from lead-based paint that may place young children at 7 risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, 8 including learning disabilities, reduced intelligence quotient, behavioral problems and impaired memory. Lead 9 poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is 10 required to provide the buyer with any information on lead-based paint hazards from risk assessments or 11 inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk 12 assessment or inspection for possible lead-based paint hazards is recommended prior to purchase. 13

IOTE: In the event of pre-closing possession of more than	100 days by Buyer, the term Buyer also means Tenant.	14
